Conservation Support ➤ District Technical Assistance (ISWCC)

Discretionary technical assistance used to update the Land Cover map for the Custer SWCD's 5-year plan. The current 5-year plan map is based upon the National Land Cover Database Land Classes 2001 Dataset. The updated map will replace the existing map with the National Land Cover Database Land Classes 2016 Dataset.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
